

**NOTICE FOR ADMISSION**  
for  
**POSTGRADUATE LEVEL PROGRAMMES**  
in the

**SINDHU CENTRAL UNIVERSITY**  
**(A Central University by Act of Parliament, Ministry of Education, Govt. of India)**

---

**Advt. No. 2025-26/01**

**Date: 03.04.2025**

The Sindhu Central University is established under the Central Universities (Amendment) Act, 2021 and the parliament has assented to the establishment of the University within the territorial jurisdiction of the UT of Ladakh. The University is fully funded and supported by the Govt. of India through the Ministry of Education (MoE).

Online Applications are invited from the eligible candidates for the following postgraduate level programs (full-time 2-years) at the Sindhu Central University.

- (a) Master of Technology (MTech.), Atmospheric & Climate Sciences
- (b) Master of Technology (MTech.), Energy Technology & Policy
- (c) Master of Arts (MA), Public Policy
- (d) Master of Arts (MA), Buddhist Studies

The batch of students (20 in each programme) will be selected for the university programmes. The first-year of the programme of study will be at IIT Madras (programmes (a) and (c), classes for (d) will be held at Leh Transit campus, Ladakh (all semesters), and (b) at IIT Kanpur campuses.

**1. Educational Qualifications for Admission to Prescribed PG Programs**

**(a) MTech (Energy Technology and Policy)**

Bachelor's degree in engineering and/or Technology, Mechanical, Aerospace, Production, Automobile, Electrical, Electronics, Instrumentations, Materials, Chemical, and Energy or equivalent subject or M.Sc./M.S. in Physics, Chemistry, or equivalent subject with a minimum of 55% in aggregate (or) 5.5 or above CGPA (on a scale of 10). Students in the final year are eligible to apply. However, at the time of admission, students must have passed the prescribed educational qualifications.

**(b) MTech (Atmospheric and Climate Science)**

Bachelor's degree in engineering and/or Technology in Materials, Chemical, Energy, Mechanical, Production, Automobile, electrical, electronics, instrumentations, and other branches of engineering or similar discipline or MSc/ MS in Physics, Chemistry, Environmental Science(s), Atmospheric Science(s) or equivalent subject with a minimum of 55% in aggregate (or) 5.5 or above CGPA (on a scale of 10). Students in the final year are also eligible to apply. However, at the time of admission, students shall have passed the above educational qualifications.

**(c) MA (Public Policy)**

A candidate must have a Bachelor's degree in any discipline with a minimum of 55% marks in aggregate or equivalent Grade Point Average (GPA). The candidate should have Mathematics as one of the subjects at the level of class XII.

**(d) MA (Buddhist Studies)**

A candidate must have Bachelor's degree in any discipline with a minimum of 55% marks in aggregate or equivalent Grade Point Average (GPA).

**2. General Eligibility for Admission and Reservation of Seats**

The "specified minimum" marks/CGPA (Cumulative Grade Point Average), referred to in subsequent sections, implies a minimum of 55% marks/ 5.5 (on a 10-point scale) if it is not less than the minimum pass marks/ CGPA; otherwise, the "specified minimum" marks/CGPA implies the minimum pass marks/CGPA.

Applicants having qualifications equivalent to the ones stated above may also apply for admission to the appropriate Programme.

The total number of seats available for each of the Master's programs is 20. The University shall have the flexibility to increase the number of seats based on the requirements and policy of the Ministry of Education.

Reservation of seats for various reserved categories shall be as prescribed as per the University rules and follow the Govt. of India notifications.

Candidates belonging to the Scheduled Castes/Scheduled Tribes, OBC-NCL, EWS, and PWD will have the minimum cut-off marks for eligibility as per Gover rules.

**3. Admission Procedure**

The applicants must apply for admission in prescribed forms (online). Queries (if any) may be sent directly to the nominated contact person given in the advertisement.

All eligible applications will be reviewed based on the eligibility criteria mentioned in the advertisement. The selection process for MTech will consider a valid score in any of the national-level qualifying examinations, like GATE, CUET (PG), etc. It may be noted that having qualified for any national examination with a valid score is desirable, but is not a mandatory requirement for application and selection for programmes of study in the University.

All shortlisted applicants will be called for an interview (on or off-line), and their performance in the interview shall also form the basis of the final selection.

A candidate belonging to the SC/ ST/ OBC-NCL/ PWD/ EWS category will be given relaxation in the qualifying marks in the admission process in accordance as per the Government regulations.

**4. Admission process**

The student will be admitted through an interview, the shortlisting will be done based on the above given criteria.
